

Learn How to Communicate with Animals

Discover ways to communicate with *YOUR* animals. Let the horses show you how!

Darcy Pariso - Animal Intuitive

Stacy Lewis - Equine Facilitated Instructor & Life Coach

Come play with horses to discover insights while learning to communicate with all animals!

Un-Harness Your Intuitive and Telepathic Skills

Join [Darcy Pariso, Animal Intuitive](#) and [Stacy Lewis, Equine Facilitated Instructor](#) for an unconventional approach in learning how to open your telepathic and intuitive pathways to communicate with all animals.

Receive In Depth Practice & Application of:

- Sending and receiving information from animals
- Learning about body language, gestures and non-verbal cues
- Bonding with horses, gaining their acceptance and hearing their messages
- Managing your own energy while gaining trust in your intuition
- Learning about yourself and how you communicate with your own animals

Sunday Oct 28th (10am to 4pm)

\$99

- Hands-on interaction and practice with and without horses
- In depth classroom activities about how to communicate with animals
- An outdoor classroom with horses in the lovely Snohomish countryside

Through consciously engaging with horses, we tap into something mystical.

We are excited to have you join us for this adventure!

"I learned so much in this class. The combined experience and knowledge of the instructors let me learn the details then experience it with my classmates, practice it on the horses and dogs on site and then actually intuitively connect with my own animal that was at home."
